

Renewable energy.

It's in your power to make
a lasting difference.

Contribute to Palmetto Clean Energy (PaCE) and make a difference.

For every \$4 monthly donation to PaCE, 100 kilowatt-hours of cleaner, renewable energy will be added to our state.

In one year's time, that's the environmental equivalent of not driving a car for 73 days!

PaCE is a nonprofit program working to convert renewable resources such as the sun, wind and organic matter into electric energy. Every donation can make a big difference.

To enroll, send in the attached card. Call 1.888.999.8856. Or visit progress-energy.com/pace.

The dollar amount of your contribution is sales-tax-free and tax-deductible.

For your convenience, Progress Energy will add your donation to your monthly electric bill. You choose the amount of your donation; we will send the full amount directly to PaCE.

the electric service is in my name, and/or I am an authorized user on this account. I want to contribute to a **cleaner environment**.

My monthly participation:

\$4

\$8

\$12

\$20

\$____ a month (in increments of \$4)
