

Bringing comfort  
to those in need.

Energy Neighbor Fund

Progress Energy

You can help a neighbor in need. Your gift to the **Energy Neighbor Fund** helps families who are struggling to pay for heating, lighting and other services. Progress Energy and its employees contribute nearly \$600,000 annually and one hundred percent of the contributions are distributed to needy families through local social service agencies.

**Thank you for helping to light up the lives of those who need it most.**
