# Take the hassles out of unexpected electrical repairs with HomeWIRE™.

An electrical problem appears out of the blue. You reset the circuit breaker – and nothing happens. At once, you wonder: Now what? What's the problem and what will it cost? And who will fix it?

With HomeWIRE, all of those questions are answered with a single phone call. If a problem arises with your outlets, wiring, circuit breakers/fuses, or electrical meter base, all you have to do is call our service center anytime. Our representative will schedule an appointment with a reputable, prequalified electrician.

## Our expertise. Your savings.

The chart below shows you the money HomeWIRE saves you should a common electrical problem arise:

HomeWIRE repairs are guaranteed for at least six months. What's more, any noncovered repairs get a 15 percent discount. HomeWIRE costs just **\$3.95 a month**, and is conveniently added to your power bill.
