

Flood

Illuminate a dark driveway, storage lot or building exterior with flood lights. These lights provide directional security lighting wherever it's needed. The Flood is available in a wide array of customized options, from mounting height to light output levels. Mount on most existing Duke Energy Progress poles or choose wood, fiberglass or decorative square metal poles for a new installation. Available with one to four fixtures per pole, depending on the choice of pole.

High-Pressure Sodium	100	250	400	Watts
	9,500	28,500	50,000	Lumens

Metal Halide	100	250	350	1,000	Watts
	9,000	20,000	33,000	110,000	Lumens
